Childsplay is a collection of nine pieces performed by the talented harpist Eleanor Turner. 14 MP3 Songs in this album (56:59) ! Related styles: CLASSICAL: Twentieth Century, CLASSICAL: Chamber Music
Details: Eleanor Turner's debut solo recording, Childsplay, is a collection of nine pieces which are all associated with youth and childhood. They are virtuosic gems in the harp repertoire, interpreted by an intelligent, award-winning young artist. Ms Turner recently made her solo debut at London's Wigmore Hall and has performed extensively across the UK. She was recently invited to Italy to perform a concert for the Salvi harp company - a great honour and pleasure. Eleanor won the 2007 European Harp Competition, establishing herself as one of the most talented and dynamic harpists of her generation.
