brutal blend of originality...sounds like clutch on the rock with a better singer .... 14 MP3 Songs METAL: Heavy Metal, ROCK: Hard Rock Details: SMASH ALLEY RECORDS ceo KENT CHRISTON found these guys in the Chicago clubs performing clinics on stage. The songs reminded him of clutch on meth. When FALLEN is on stage the pit is only for the strong, with this disc you will feel like you're right there with them. Boot in your eye dual guitar tones create a wall of sound that will remind you of the last time you kicked someones ass. Watch your speed listening to this gem.
