A live P.A. performance including trance, drum-n-bass/jungle, hard-beat techno/acid, and progressive. 6 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Drum 'n Bass/Jungle Details: Yet another live P.A. performance by HelixTurnHelix. Recorded live for an event called "Playaz 4 Peanuts" by Audiophiles Anonymous Prod.'s in Madison, WI. U.S.A. Six tracks, perfectly cued and I.D.ed, for sixty minutes of continuous heart-pounding techno. This album covers epic trance/progressive, drum-n-bass/jungle, and hard-beat techno/acid!!!! All live!!!! The mix is superb! It was recorded originally to DAT, then mastered, and recorded to cd, off of which Acme Vinyl made a glass-master and then pressed by the hundreds. It's professionally recorded and packaged including a two-page glossy pull-out insert. Each copy is also shrink wrapped to seal in the freshness!! :o *THIS IS SOME OF THE BEST WORK HTH HAS DONE TO DATE* --"HelixTurnHelix, a group of beatmasters whose precisely crafted tracks sound great on the radio and even more forceful live. Sleeper of the Week!!!" The Isthmus' critics choice 5/26-6/1/00 --"These guys put on one hell of a performance!" Technoheaven.com's Rave Reviews 99' --"Then to close out the night, the Madison act HelixTurnHelix gave the crowd one last pounding with a live set before things shut down around six o'clock in the morning." The Badger Herald 10/4/99
