

# Mp3 John Baglio - What I Left Behind

[DOWNLOAD HERE](#)

Piano Driven power pop rock, catchy hooks, radio friendly top 40 commercial hits. 11 MP3 Songs POP: Power Pop, ROCK: Adult Alternative Pop/Rock Show all album songs: What I Left Behind Songs Details: John Baglio is a 35 year life long musician. Growing up he was forced to play classical piano by his mother. He graduated Berklee College of music in 1997 and was lead singer for a Boston Rock Rap band that was on there way to great heights before tragedy struck the band. Playing along the way with acts like Godsmack, Ace Freeley, and Gary Cherone to name a few. John has shown he has comand of the stage like few others. His music now is Piano driven power pop, A cross between Elton John and Daughtry is a good way to describe his sound with song writing that reminds one of the great songwriters from past generations. Johns music is a combination of all the music he has internalized over the years with a personal piano rocking touch.
