A huge dose of intellectual/emotional rock with pop hooks. Full Length debut that garnered much critical praise. 13 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: The era of power-pop has just been jolted by the arrival of the dynamic musicians who form Liquid Carousel. From the suburbs of New York City, their debut release 'A Beautiful Mess' is a mixture of old fashion Rock Roll, and early 90's power rock, accompanied by distinct time changes and rich vocal harmonies. They have created a significant buzz from their live performances and have successfully captured the energy and emotion on this extraordinary piece of work.
