Modern Lounge, Feel good summer POP 9 MP3 Songs ELECTRONIC: House, POP: with Live-band Production Details: Space Madness Logical Sound Discovery is beyond a doubt, the most charismatic musical group of this century. Taking live entertainment to new heights, their shows are full of upbeat disco-lounge rhythm overflowing with undeniable melodies. The band is created and fronted by "Modern Artist," Rob Logic ( AKA: Bobby Logic ). Melding concepts of Outer Space with a surrealistic Planet Earth, LSD gives the shows a trip, well into the future. Every show is different from previous performances, allowing for original, dreamlike set designs to float audiences into a state of time travel. Projected visuals, created by keyboardist Joseph "Sloe" Slawinski and backing vocalist Gabrieal Griego, offer high-end eye candy. Olivia Griego, also a backing vocalist, choreographs savvy movement complementing each song with Vegas-like flair. Tommy Greene, a graduate of Berklee College of Music, takes his guitar to several levels of funky professionalism, thus earning title of "The Groove Injector."
