NEW AGE: New Age, NEW AGE: Healing Details: The themes of humankind's grounding in nature; the continuous search for our place in the cosmos; and the innate pull towards personal evolution predominate this music. Mark's intent has always been to create an expression which incites the human spirit toward greater wholeness and transformation - a form designed to invoke inner change which mirrors the vast planetary shifts of the new millennium. The intent of this work is Self Transformation through the use of music and vibrational frequency. At this time of mass Global Shifting, every avenue of shifting one's frequencies to higher states is called for, and Mark's activities and music have this mission at its core. Mark's first album, *Between Mountains and Stars*, is the result of closely observing the type of music which works best when people are in states of deep repose. In *Mountains* Mark merged his love for orchestration with the sonic palette of electronic instruments, creating a synergistic form which sets the stage for the listener to experience states of deep relaxation and activate innate healing abilities. Attained Top 10 ratings on New Age and Adult Contemporary radio stations; airplay national and international. "It is the music of traveling, both in the body and beyond it...recommended for the healer and journeyer in all of us." ---Greg Hagin, *Lightness of Being* "Incredibly gorgeous....one of the best I've heard in 10 years!"---Renee Gelpi, CIUT FM, Toronto, Canada "Torgeson is truly gifted, and it shows through all the musical styles he incorporates in his music." ---Lyn McNutt, KUAC FM, Fairbanks, AK "Fabulous!" ---Theresa OHara, WNMC FM
