Matchli plays poppy indie-rock music with beautiful vocals and melodic hooks. 6 MP3 Songs ROCK: Modern Rock, ROCK: Emo Details: What the hell is Matchli? When a virus wiped-out the first demo tracks of a band without a name, a computer error message repeatedly read: "Error: MATCLI." This quickly became the band's obscure yet fitting moniker. Matchli is now spreading akin to a rampant computer virus, infecting computers and ears near you! Drawing from timeless influences such as U2 and Genesis, as well as revered contemporary artists including Death Cab For Cutie, Jimmy Eat World, and Coldplay, Matchli is able to create amazing music that captivates audiences of all ages and backgrounds, both live and on record. Matchli cleverly expands on the sounds of their influences to create a unique, fresh style of indie-pop rock music. They take on a number of eclectic styles and mold them into a cohesive signature sound all their own. No two songs sound alike, yet they all resonate Matchli. The composition of Matchli's music is both careful and spontaneous, all centered around songwriter Brandon Aram's sweet, precise voice conveying deep and introspective lyrics. Prominent is the driving yet ambient guitar sounds coupled with tasteful and truly original keys. Drummer Othello Silla provides a solid rhythmic base upon which the songs rely for their character. Matchli also dabbles in electronic rhythms that are a perfect match and round off the complete epic timbre that is Matchli.
