A beautifully sparse and soulful piano and vocal Christmas collection. 9 MP3 Songs POP: Piano, EASY LISTENING: Soft Rock Details: Singer-songwriter Sarah Lentz has always loved playing Christmas concerts in churches and clubs. Over the past few years she has compiled these songs, original and her interpretations of old favorites, and had the opportunity this fall with the help of some of her friends and fans to record them on this CD. One listener described the recording as "dark joy", and that describes Sarah's interpretations and performances of all her music holiday and otherwise. Her deep alto voice has a longing for something other than this world and her chording and arrangements hint of a hope that we'll all soon get there.
