"A Spoken Words/Hip Hop Classic" 16 MP3 Songs HIP HOP/RAP: Hip Hop, SPOKEN WORD: With Music Details: Im impressed. . .so great that it almost upsets me that 99 percent of my friends don't know who they are. Albums like this make me proud to be a hip-hop head. This genre of music is beautiful at times, and most people only see the "cashmoney" facade of rap. That is a shame, because a cd like this is poetic and skilled. Anyway. . .moving on to the CD I'm reviewing. . .IT IS FLAWLESS! I honestly think the track "Meteorites" on the CD is enough to give it 5 stars!! The whole CD never fails to amaze me though. . .Shudoshi's beats on the CD are great and Elevation lyrics match them perfectly. Go cop this album. . .it is their best. ALBUM BACK IN STOCK SOON.... THANK YOU FOR YOUR PATIENCE
