WOW-a mix of Classical POP/ROCK energy. 6 MP3 Songs GOSPEL: Contemporary Gospel, POP: with Live-band Production Details: All the way from sunny Florida, STEDFAST BAND announces the release of their self-titled debut album. An unsigned group produced by Rick Flippin (owner of Narrow Door Records), the new CCM band from Tampa/Largo, Florida is comprised of three young men desiring to serve God to their fullest--attracting their listeners to Christ through what Flippin believes is a "Fresh, powerful message." James Cory, sound engineer echoes the endorsement, "These lyrics are incredible, and the sound is so unique." Although each of them have been heavily involved in music for many years, STEDFAST BAND as a group has accomplished all this in less than one year that they've been together. "It's amazing how fast God has brought us together, and then how quickly He has provided us with opportunities to minister before the CD is even released," said Phil Hart (lead guitarist). "We're really excited about making an eternal impact!" Kevin Johanson (violinist) asserts. Brandon G. Pav (lead singer and pianist) is thrilled to serve in this capacity, "We want to do more than just play music-we want God's message of being steadfast and focused on His Will to be in the forefront of our musical endeavor. We believe He wrote Isaiah 26:3 for a reason." STEDFAST BAND is not new to music, instruments, or to leading in worship, yet they are eager to continue to serve God with their musical gifts. With a vast array of musical endeavors spanning from Barbershop a cappella singing to concert band, STEDFAST BAND's instrumental, vocal, and studio-level musicianship shows. "There are so many 'moments' in each song that people are going to want to hit the repeat button over and over," Flippin reveals. "We tried to keep it simple and fun while at the same time adding a few complicated and exciting, yet meaningful sparks in

the songs to help the music amplify God's message," Brandon adds. "Jumping in the studio, and having to use that musicianship has been a humbling learning process for us," Kevin states. "And realizing we are held to a higher standard when performing keeps us in perspective of WHO we are really doing this for," says Phil. "STEDFAST BAND is excited to finally get our music and God's message to a hurting world!" [Other artists produced by Rick Flippin include Melissa Green from Avalon, Jack Hartmann of Hop to It, and Rachel Potter -GMA winner]
