

## Mp3 The Actual Facts - Rock: Modern Rock

[DOWNLOAD HERE](#)

Existent Facts songs propose you advice and information you can swear such as how to end an opprobrious relationship, how to care for a pitch-black eye, or what to wear on your first day of prison. 14 MP3 Songs ROCK: Modern Rock, POP: Power Pop The Existent Facts Songs Details: The Existent Facts are New York's freshest and finest rock band: a stomping garage-pop trio whose dedication to the task of rocking your insides cannot be underestimated. The group number just three. Singer/guitar player Tim Simmonds, originally from Essex, England, played in the short-lived but influential Brooklyn band Odd Squirrel before moving to Ithaca, NY in 2002. In Ithaca he was joined by bassist/singer John Parkins, a Syracuse native, and veteran of the Boston music scene, and ace drummer and former Tommy Lee stand-in Gregg Lightfoot, . Existent Facts songs are dynamic and ingratiating, hooky and addictive, often playful and frequently highly informative. Existent Facts songs propose you advice and information you can swear such as how to end an opprobrious relationship, how to care for a pitch-black eye, or what to wear on your first day of prison.
