Tommyboy was the founder/guitarist for a secular hip hop group named Cadalac. I gave my life to the Lord Jesus and had no choice but to surrender my talents to Him and go solo. Tommyboy began producing hip hop beats and in two short years, debuted his first album, Who Knew. My cousin Vdub was very instrumental to my success because he put me up on game with all the resources I needed to do hip hop production, and also taught me how to use them. Tommyboy is now an up and coming hip hop artist/producer, leaving no rocks unturned. He is now producing tracks for many other talented up and coming Christian artists. I try to keep pushing myself to new and greater heights, always setting the bar as high as I can. If you want something that has high energy and excitement, with an unparalleled diversity of

styles, with the common thread being none other than the Lord Jesus Christ Himself, look no further than Tommyboys Who Knew.
