URBAN/R&B: Contemporary urban, HIP HOP/RAP: Hip Hop Details: This collaboration between three very different solo artists from Chicago's Southside(Suede, Big Reese and Lucky Lou). Brought together by SWUTWEDU Entertainmnt this treo has cause a great deal of attention in Chicago. Big Reese aka Maurice Howard was born on the south side of Chicago, has been singing since the womb. He's won talent contests, sang at weddings, funreals, night clubs, in Wisconsin, Indiana, Michigan, and of course Chicago. Each time he hits the stage he hit them hard with a well controlled, conditioned, and professional tenor voice that can not be touched. Hands down there isn't a professional with a major record deal today that can touch him. BIG REESE grew up in singing in the church. Lucky Lou started out as a dancer in one of the popular dance groups in Chicago. Gifted with the ability to write songs Luc wrote a lot on this album. Currently this young man is working two jobs and going to school. Lucky is truly the party animal thoe his time is limited. Suede is the foundation of the three, making the music, writing and arranging the songs, creating the opportunities and believing in talent from the city he's from. THIS ALBUM WAS CREATED FROM PERSONAL EXPIRENCES FROM THREE PEOPLES PERSPECTIVES.
