REVIEWS: "Wendel is the future." LA Music Scene "They're a band that's meant to be savored..." Lockergnome.com "These players blend together like a good gumbo" Music Connection WORD OF MOUTH: Ralph Alessi (Steve Coleman, Ravi Coltrane, Uri Caine) "This is some of the freshest, most innovative, category-defying music that I have heard in a long time. It's music to "listen to" (requiring your attention) as well as being listenable and palatable for most. I truly love this music which I can say is music of today made by young, creative artists with a lot to say. " Mike Cain (Jack DeJohnette, Me'Shell Ndege'Ocello, M-Base, Lil' Kim) "Passion combined with intellect to form wonderful musical vibrations. Keep the flow coming!" James Carney (Pianist/Composer, Winner of the Thelonious Monk International Jazz Composers Award and California Arts Council Trust Fund) "Wendel is a passionate collective of high caliber, forward thinking musicians who dependably exude a pleasing blend of cathartic edginess and dynamic subtlety." **Artwork by RICE510--- sicminds.com/rice510/ Wendel is: Adam Benjamin - Fender Rhodes, Piano Kaveh Rastegar - Electric Bass Ben Wendel - Tenor Saxophone Nate Wood - Drums, Guitar Additional Musicians: Davey Chegidden - Percussion Shane Endsley - Trumpet Sonya Edelman - Flute Inara George - Voice
