What press / reviewers say: "the borough's horror rock supergroup" - The Brooklyn Paper "This band is great fun. No one in New York is doing anything remotely like what Witches in Bikinis are doing." - Lucid Culture, July 10, 2008 "A bevy of beauties in bikinis...you're real singers, you're real dancers obviously...you're like a 6 ring circus, each one's got something going on... Witches in Bikinis rock! Witches in Bikinis rule!" -Dee Snider, Fangoria Radio, December 2007 "Wow! This is my favorite band of all time!...I love you guys!" -Debbie Rochon, Fangoria Radio, December 2007 "Combining three beloved staples of 60's pop culture?the girl group, the beach party movie and the low-budget horror flick..." - Michael Dale, Broadwayworld.com "poppy/rocky tunes that pay homage to the Supremes, Frankie and Annette as well as The Rocky Horror Picture Show... entrancing, infectious and scare-a-licious!" - Frank J. Avella, nycool.com "Never have I been so well entertained. With nasty rifts that made me remember Rock of the 60's, The extravagant presence of the Witches themselves accompanied by very catchy and easily understood lyrics. That takes you back to the fun of "Rocky Horror Picture Show" without the transvestite gore. Witches In Bikinis does not just entertain you, they bring you in captivating your eyes and

imagination making you part of the show. I will not miss a show near me ever. And neither should you!"
