Details: Founded in 2007, the Paisley Pickles have been capturing the hearts of young Pickle Heads with their catchy Pickle tunes and their handsome Pickle attire. But they dont only appeal to the tiny future leaders of our world they also have the ability to charm fully grown human beings. The Paisley Pickles are Paul Bartholomew: guitars, harmonica, and vocals; Mark Bongo: drums and vocals; and Frank Dellorco: bass guitar and vocals. They are a three-piece punk jazzy rock band who play a mixture of family-friendly music for the young and old. The Pickles play everything from A -Youre Adorable and Mahna-Mahna, to Beatles and Ramones classics. They also play music from their three CDs of original Pickle tunes. This album is a collection of songs from their first two children's CD's, "Pickle Pop Rock" and "Pickle Heads." It contains imaginative and fun original tunes that the entire family will love.
