Heat - Solstice Heat By Judy Mays Book 4 in the Heat series. Eileen, Eileen, Eileen. Her name pounded through Garth's veins as he ran towards her cabin. Years ago, her parents had torn her from his arms, spirited her away in the dead of night, and disappeared. Now, he'd found her again. All these years, he'd never forgotten her sure that he'd find her again. Soon she'd be in his arms again. Eileen was speechless. Garth stood in front of her. The Were she'd loved and mated so many years ago had found her. She should be ecstatic! However, her parents had coerced her into mating another. True, after he'd abused her, she'd repudiated and left him, but in her mind she'd betrayed Garth's love. He wouldn't want her now. Love would triumph over misunderstanding and feelings of betrayal. Once mated, the bond shared by male and female werewolves was unbreakable. Garth and Eileen could be happy again. But, Eileen's violent mate wanted her back. And-the CIA is hunting Garth.
