

Sound Factory Loops - Real Beats 1

[DOWNLOAD HERE](#)

Whether it's Rock, Pop, Funk, Breaks, or Heavy Metal you're after, we have your style here. The acoustic drum kits are treated as lightly as possible with only a minimum of room ambiance so they will fit in with your mix without sounding muddy. We've got double-bass action, fills, and straight grooves to move your song along to the perfect beat. Over 700 loops in wav format. *Note: Some operating systems do not natively support the high compression ratio used in this download archive file (Windows). We recommend 7-Zip at 7-zip.org/ (free!)
