I learned a few chords and moaned and wailed. Described as "mediocre at best". Where are you now? 8 MP3 Songs in this album (29:18) ! Related styles: FOLK: Alternative Folk, POP: Delicate People who are interested in Elvis Presley Syd Barrett Jandek should consider this download. Details: I'm kinda all over the place with each Vesán release. Basically, Vesán serves as an outlet for music I wrote mostly between 1995-2001 (ages 15-21). 'Brooding' is probably the word that best describes the first two releases (which are the only ones found on CD Baby for the moment). I have no illusions that any of this music is incredible. It's just cathartic to record them. It's my greatest obsession. It's the only way for me to move on... for more info and audio visit - vesan-sound.com/ other Vesán albums: The Devil In Salem (2001) - acoustic, brooding, sparse The Way Out Is Through (2003) - acoustic, brooding, lush Disposable (2005) - two-dimensional teenage punk(?) Hellbender (April 2009) - dark country (my favorite so far) also: Scratchboard Fred The Knobs of Cheese (2004 - EP) - oddball novelty The Ninja Always Rings Once (2007) - soundtrack to action/comedy short film Dream Date Diddle-E (2007 - single) - racy doo-wop
