Here is the long-overdue obituary for the unbridled greed glorified by Atlas Shrugged and the prophet of profit. In Rand's story, she let free-marketers John Galt, Dagny Taggart, and their accomplices return triumphant from their strike to remake the world in the image of Godless self-interest. Now, on the 67th anniversary of their revolution, try as he may, Atlas can no longer simply shrug and Galt's successors and their dystopian creation of Free-for-All economics is about to come under attack from an enigmatic group known as the Prometheus Project. Against the backdrop of the epic struggle between these two opposing forces, Atlas Drugged takes no modern-day prisoners, hurling lightning bolts of damnation at those who put profit before humanity and offering the 99% a vision for taking back the country from the 1% who currently dwell atop Mt. Olympus. Author: Goldstein, Stephen Publisher: Hellgate Press Illustration: N Language: ENG Title: Atlas Drugged: Ayn Rand Be Damned!
