

Beginning Lua With World Of Warcraft Add-ons

[DOWNLOAD HERE](#)

World of Warcraft is the most popular video game in the world, with more than 11.5 million active subscribers worldwide. Every single one of them is made aware of the availability of add-ons (or mods) and user interface customizability. Of that 11.5 million at a conservative estimate 8,106,256 users (not including downloads from Paul Emmerich s own site) have downloaded Paul Emmerich s add-on package, Deadly Boss Mods. Entire multi-million dollar games are less popular than Deadly Boss Mods, and the popularity and importance of Deadly Boss Mods to World of Warcraft play cannot be overstated; his add-ons are considered required downloads for serious World of Warcraft player-teams (guilds).
