CB Promo Tools Generator If you are a Clickbank vendor then you know how affiliates are important to your business... The problem is that most affiliates are lazy and if you dont provide them instant promotion tools then they will go to the next vendor and wont even check your product. Also many of affiliates are just newbies that wont know how to use the standard affiliate link Clickbank provides them. If you want to make it ridiculously easy for your affiliates and guarantee you make more sales then you have to give them a variety of tools that they can use instantly and not just a single affiliate link to promote your product. With Clickbank Promo Tools Generator you can now create your dynamic affiliates promotion tools page in less than 2 minutes. You will have a ready to use affiliate promotion tools for your affiliates with embedded affiliate links, graphics and popups, all of them ready for your affiliate to cut and paste into their webpages. All your affiliate has to do is fill in a simple form and this special dynamic page does the rest... automatically. How cool is that? When you use the software, just answer a few questions, generate a single PHP file and simply upload it to your web server, then link to it on your main salespage and your download Page and make more sales by motivating people to join your affiliate program and

use your instant promotional tools.
