Something about Julie. Gorgeous Julie likes both men and women. when her handsome young husband discovers her secret, where will the truth lead.? Excerpt: "Tell me about you and Sally. Everything." Ron turned the chair around as Julie looked at him in surprise. She didn't know he knew about Sally. "How did you ... ?" "I find out everything sooner or later. So tell me about Sally. I know you had a thing with her in Vegas." Ron crossed his legs and started untying his shoes. Julie stood up and walked to the chair facing him and sat down. "Okay, Sally and I had a thing. So what? It was silly, and it was over before it started. She's a beautiful dumb showgirl, what do you want? I was in Vegas, alone!" Ron stared at her with a slight grin. "I don't want an explanation or an apology. Tell me the details. Get me hot." So that's what he wants! Julie leaned back and spread her legs out in front of her. Her bright red pants creased tightly between her thighs. She put her head back and her long dark hair fell over her shoulders. "I had a meeting with the people at the International, then I went to see Sally at her apartment." Ron kicked off his shoes and started opening his belt. "It was early afternoon and she'd just gotten out of bed. She was in

her nightgown, and when I looked at her body through the soft material I got all warm inside."Author:
