"Like honey dripping on a cello"....Bonnie Raitt 12 MP3 Songs FOLK: Gentle, FOLK: like Joni Details:
Following the loss of a 20-year relationship, this album tracks a powerful passage - the proverbial Phoenix rising - through grief into the places of healing and light. These are songs of witnessed loss, but also of great triumph and joy. Brilliantly produced by Teresa Trull, Cris considers these songs the best she has written to date.
