

Mp3 Dennis Jones - Passion For The Blues

[DOWNLOAD HERE](#)

Exciting blues rock compilation that is close as you can get to seeing Dennis Jones live. 10 MP3 Songs
BLUES: Electric Blues, BLUES: Rockin' Blues Details: "Passion For The Blues" is Dennis Jones second release on Blue Rock Records. This compilation of tunes sticks to a blues rock format with a few exceptions. All but two of the ten tracks are originals, but don't expect the covers to sound like the original versions. Dennis thrives on performing live and hopes this CD will give you a good idea what that experience is all about.
