A foray into suspenseful radio drama, in the tradition of Orson Welles' classic broadcast adapted from "War of the Worlds". 5 MP3 Songs SPOKEN WORD: Radio Drama, SPOKEN WORD: Storytelling
Details: Derek Turner is a multi-faceted talent. His expertise extends into the fields of film, television, radio, acting, directing, and production. If that's not enough, you can find his musical composition prowess right here, at cdbaby.com. Search for Turner's CD, "Dreaming" performed by the studio ensemble, REPETEN. "Imagination Theatre" was written and produced by the notable Jim French, whose works may be found on the air, on over 200 stations in the United States, as well as, in Canada, Australia, Europe and on XM Satellite Radio. Pulling together French's writing/producing talent, as well as, the casts of top-notch radio personalities (starring Derek Turner), this IMAGINATION THEATRE CD contains three entertaining examples, par excellence of Turner's enduring contribution to the arts. If sitting on the end of your chair, or hanging on every word of dramatic dialogue, as it unfolds, is your brand of entertainment, then IMAGINATION THEATRE is the nail-biter for you. We believe your wrung-out hands will be searching for your credit card or checkbook. Check out REPETEN, here, at CDbaby, or either of Turner's MySpace sites (REPETEN, derekturner333), or peruse Turner's new YouTube account at DerekTurner. As always, don't forget the extra butter on your popcorn! See you at the show!
