

Mp3 Fith - Can't Stop

[DOWNLOAD HERE](#)

FITH takes Rock one step further with their latest release, "Can't Stop". This album captures everything that American Rock is; melodic vocals, powerful guitars, thick bass grooves, and hard hitting drums. 11 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: Take some bluesy, rock Guitar, intense vocals, and powerful grooves and you've got the American Rock Band FITH. Based out of San Diego, the band's devotion to their music has led them to employ a large fan base throughout the Southern California region. It is their solid hooks and captivating melodies that allow them to accentuate the many facets of Rock. "This group plays big rock, big time!", raves Music Connection's Bernard Baur. The strong, emotional vocals of Patrick Mitchell travel "somewhere between sweet melodies and anguished pleas. Kris Bell's pounding rhythms and leads are intense and breathtaking". Their strengths are supported by the gritty rock riffs and thumping bass grooves of Ian and Noel Holloway and drummer Ralph Acquaro who "plays like a madman with the focus of a laser". Together the soulful melodies of talent and imagination spell out an evolutionary movement in Rock. FITH has released three full-length albums to date. "Only Way Out Is Up" (1999) and "Can't Stop" (2002), have both been nominated Best Rock Album at the San Diego Music Awards. The band is currently in the studio tracking for a new album due out in the Fall. This latest effort from the up and coming San Diego band sets the tone for what is sure to be one of the best Rock acts to emerge from San Diego. FITH is a celebration of timeless music; past, present, and future. Fulfill your demand for a new sound by experiencing the passion for yourself!
