Gypsy: Christina Nicholas aka Gypsy, joins the Temple Music Group family of artists with her self-titled EP. With a voice that was made to sign. Gypsy soulful sultry vocal work is the foundation for the for this EP release. Teaming up with Radio DJ Trevor Simpson TMGs own Jaswho and Ben Tom on this project. Gypsys debut release embodies the funkier side of the San Francisco house sound. Featured Artists: Gypsy is love and positivity personified. Born of Mexican, Libyan, and Italian descent, Gypsy's artistic flavor is as eclectic as her heritage. Growing up, her musical influences spanned the spectrum from soulful funk and classic rock to world fusion, hip-hop, and disco. Gypsy would thrive on any music with a danceable beat. She recognized very early that dance brings people joy, and that joy inspires more dance... A native San Franciscan, Gypsy instinctively gravitated to the SOMA district during the height of San Francisco's underground House music scene. Stimulated by innovative Electronica DJs, and fueled by the electricity of the dance floor, Gypsy soon began to create her own sound. She has developed a fresh disco-funk style that is uniquely "Gypsy" while embracing her diverse roots and her city's beautiful culture... Featured producers: Trevor Simpson, Homero Espinosa, Ben Tom Jaswho. Gypsy dedicates her life to expressing love through music and dance. Her passion and positive energy continue to lead her on a journey of joyful creative expression. Along the way, Gypsy has collaborated with some of the Bay Area's premier DJs, including: Trevor Simpson (Energy 92.7), Homero Espinosa (Yerba Buena Discos),

and Ben Tom Jaswho? (Temple Music Group). A Singer, Songwriter, Dancer, and Stargazer, Gypsy makes magic wherever she goes. Her exotic energy is enchanting, her passion for dance music is contagious, and her exhilarating performances leave us spellbound. Come and experience Gypsy Love - you will surely feel the magic too...
