The most recent "Voices" release New Paradise is more meditative than musical. It is loved by many meditation groups and presents some of the most innovative and challenging bowl meditations ever recorded. 9 MP3 Songs WORLD: World Traditions, NEW AGE: Meditation Details: Gong and Bronze Troupe Embark with Himalayan Voices on a quest of alchemy through the Mystery of Metal spirits and sounds, where the questions are more important than the answers! New Paradise has been a favorite of many Singing Bowl fans and has received multiple national airplay on the syndicated Hearts of Space radio show. Its meditations have deeply moved many listeners. No band on the planet is laying down boundary breaking good vibrations like the Himalayan Voices. Himalayan Voices play weekdays in New York City their unique ambient metals Trance-Formational shows, which provide easy access to alpha state trance and balancing deep body sonic massage. While their Bong-A-Gong Theater is a "Bronze Man Group" that offers flying gongs meeting water canons and an assortment of other fun-sonic entertainment. Himalayan Voices also serve by donating their deep sonic feel in shows for the deaf, in-water performances, and by resonating every full moon at the home of Allyson Alex Grey to raise funds for The Chapel of Sacred Mirrors.
