A thoughtful praise and worship CD from Australian singer-songwriter Hugh Wilson. 10 MP3 Songs
GOSPEL: Contemporary Gospel, FOLK: Folk Pop Details: "INTO LIGHT" is a praise
worship/contemporary christian CD from Aussie singer-songwriter Hugh Wilson. A collection of songs
recorded over 5 years, the album therefore has certain stylistic variety, with each of the ten songs
possessing somewhat differentiated identities; from the Beatlesque "I will walk with you", to the country
influence of "All I live for" to the electronica of "Problem Solver" or the pop/rock of "Started Something". A
conjoining thread however, is Hugh's consistently high quality vocals and of course the subject matter:
songs sung to his creator and messiah. Some of the songs have been used for collective praise worship
in christian churches, while others seemingly exist for more personal reflection, meditation and prayer. On
the whole, it seems we get a fair insight into aspects of Hugh's relationship with his God through these, at
times, highly personal songs; but the songs are also able to be used by the listener to assist their own
communication with God: "Water to my soul", My King and My saviour" and the title track "Into Light"
being cases in point.
