Related styles: ELECTRONIC: House, ELECTRONIC: Dance Details: JamRock House Riddim Debut Single- Reggae, House and Tribal African with other World Flavors- Sizzla, Jah Cure, Tanya Stephens, Mr. Easy, Yatta Stoky The JamRock House is built on a foundation of Dancehall, House and Tribal African beats. The musical chefs add Latin Salsa, Chinese, Indian and other world flavors to match the many moods of music and artists recording atop the JamRock House foundation. Sizzla, Jah Cure, Tanya Stephens, Mr. Easy, HotShot Squad and more are already JamRocked and awaiting release. The debut single is out now. Titled Nice and Easy the intro to JamRock House is from Yatta Stoky (Featuring Jahmali). Yattas mentors, Dennis Brown and Errol Dunkley are among the artists he has played with along with Jah Cure, Capelton and more. JamRock House producer Trevor Sugar first saw Yatta as lead singer of Safari on tour with Third World. Chosen as the first look at a diverse rhythm, Nice and Easy has funky 60's organ sound, driving percussion, and a hint of Salsa atop the JamRock House base (er, bass!). Rohan Shugs Manning grew up in the UK and Jamaica with roots, rock, reggae and world beats. Rohan is a seasoned Reggae producer and engineer and runs First Foundation Muzik. Trevor Sugar grew up in the states with everything from The Orb to Black Uhuru. Trevor records, produces, and engineers at his Many Moods of Music studios near Miami, FL. Rohans recordings of these great performers and his rhythm blend with its trinity of styles formed into the Jamrock House signature sound when Trevor put the collective vision into his production lab.
