The musical journey has been a great one and it happened along the way in a few cities... In 1996 he moved from Philadelphia to San Francisco and claims that the move changed his life. The city opened many doors for me. I met friends I will have for life, very talented musicians and really grew as an individual. He became a member of the San Francisco Gay Mens Chorus in 1998, under the Direction of Dr. Stan Hill. During those five years he recorded three CDs with the Chorus, and had the opportunity to perform at the Kennedy Center and Carnegie Hall. He has performed concerts with Megan Mullally, the late Nell Carter and Joanna Gleason. During his time in San Francisco, he met Linda Christian of the Singers Workshop who convinced him that although the Chorus was a great experience he should also consider performing alone. Linda taught me to except my path in life and not fight it. That Summer, he performed at the Main Chapel in the Presidio and continued doing shows with Linda and the Chorus until 2002. In 2002 he moved to Portland. I had a great job opportunity that I could not pass by. Although I miss Portland and I am VERY grateful to have the opportunities I did; New York was calling. Upon moving back East to New York in 2005, he began studying with Patrick Wickham and Kevin Wilson at Wickham Vocal Studios. The focus of the School is on vocal performance. They emphasize crafting the song, and getting into the head of the character, which was very different then I had studied before. This past Fall, he had the opportunity to study with Billy Porter. Jeffrey has performed in NYC at Roses Turn, Dont Tell Mamas, Dannys Skylight Ballroom, the D-lounge, Dillons and the TRIAD. The CD covers 9 songs which include everything from Billy Joel and Paul Simon to Broadway

standards and even some Boy George. Two of the titles are original works that Jeffrey co wrote with Haim Cotton and Patrick Wickham. I chose the name SIGNATURE because I'm putting my own individual stamp on my favorite songs from my favorite artists." Be who you are and say what you feel, because those who matter don't mind and those who mind don't matter. Dr. Suess
