The Truth.. underground/political hip hop, its unlike anything you've heard before but something you need to hear. 20 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Here is just a little somth'n someth'n about me that I feel you should know. I'm 30 years old, my birth name is Kaseen Shabazz Smith, i'm about 5'11-6' depends on the scale. I weigh a consistant 185-188 it all depends on the over consumption of OJ that I drink. I been involved in music basically since birth. Sang in the church choir and all that good stuff. Yes i am considered a rapper but dont sleep... I still can blow a tune (do, re, me, fa, so, la, ti, do). I can go off the head when im in the mode, first realized that when i was in church choir. We had missed some of the meetings due to transportation so when it came down to the big sunday, "mens day" we were ordered to perform. I'm like "no disrespect sister but ugh, I wasnt here, I dont know the songs." They made us, my brother and I get up there anyways, wid the church hot like 100 degrees, elbow to elbow. It was packed that day. Thats when I did my first freestyle. Not sure exactly what I recall saying but I was talking to God, critisizing the churches wack song, giving some Flamez to the gay behind director and how it smells like dirty feet and sour breath up in here. But yea, after we was done we bounced. Most likly got beat for it too but ya know, I was just another one to be lumped in the head too many times and I became hard headed and stubborn. My inspirations.....no im not another one to claim the're the next Tupac. May his soul rest in peace. I'm David, the prophet, Elijah, Sampson, Malcom X and Martin Luther King. Those are the real soldiers that inspired me. My favorite artists are, Big Daddy Kane, "No Half steppin" KRS-1, "Step into the world" and Public Enemy, "Fight the Power". Still bang'n to em to this day. Oh, and yes, Nas, "Illmatic". Alot of people want to jump in this game for different reasons. Some for fame, some for money, some to get girls because without the name, they was considered ugly. Me, i'm saving souls, basically doing what the Lord tells me to. But yes its true, its my way of campaigning

because I am one with intent. But yea I don't feel like writing anymore so imma be out. I do want to give a big shout out to those that didnt or couldn't do the things I said I was going to. You didnt inspire me or make me work harder to prove something to you. Honestly I have sympathy for you, thats why I dont laugh as hard as I should. As Booker T would say, "Can you dig it SUCKAAA!
