A quiet sacred space, and a feeling of pure peace and love. An infinite mind, body and spirit. Innocent play and divine creativity is what Gentle Beauty is about. 11 MP3 Songs NEW AGE: New Age, NEW AGE: Healing Details: Ken Townshend: As a healing artist, my passion is in creating, a feeling of wholeness within as many people as I can. My prayer is that through my music, people will be able to connect to their divine source which holds creativity and dreams. It is the feeling to the perfect state of being beauty within, that leads to an inner connection and sense of love, lightness, stillness, gentleness and peace. A link to the beauty of the moment and the gentle breath of being alive. A state of slowing down and simplicity. When I create, I love being in the moment. This is the place of pure divine creativity, of letting my thoughts go and experiencing the infinite flow of gentleness, divine love and compassion. I let my body and feelings speak to me about each beautiful moment. These are the things that I hope to convey through all of my healing music and works. I truly hope that this work will become a part of your inner being. I have given each piece a title, attempting to convey some sense or feeling it had for me when I felt it but I hope that you, as a listener, will give each one your own interpretation. After all, I want my music to become your music. I hope this soft, gentle music will give you a guide for your journey through life. I would like to become your soundtrack on that journey and help you find your path wherever it happens to be. About Gentle Beauty A quiet sacred space, and a feeling of pure peace and acceptance. It has Lucid feelings that are deep, and gentle but not emotional. Let gentle compassion embrace and hug you, just be and feel. Tell me your meaning.
