[DOWNLOAD HERE](#)

Instrumental Guitar Music with Funky Dance elements creating a vehicle for the guitar to shine. 15 MP3 Songs ROCK: Instrumental Rock, METAL: Instrumental Metal Details: Marc has been downloaded over 1 million times since 1999 on sites such as mp3.com,amp3and garageband.com. He has been busy recording many styles of music but is most known for his instrumental guitar music. He is currently endorsed by ESP guitars, Line 6 Amplifiers, DiMarzio Pickups, Morley wah pedals, Sabine Tuners, Dean Markley strings,and Steinberg Software. He has been on several compilation CDs that have been distributed nationally as well as globally. He has composed over 100 instrumental songs as well as many vocal band songs and continues to record and perform on a regular basis. This CD is the latest group of songs Marc has composed,recorded and produced in the instrumental guitar genre. Except for when noted, Marc plays and programs all the intruments, which is most of the time.
