MCGOOZER----- "An emotional moment for us as soon as they struck the first chord. This 8 piece blended a string section with pop melodies so well that made us cry with happiness. The vocalist sang like an angel and the strong backing vocal complimented the very solid band. The sun was shining the crowd was singing and the hair on the back of our necks are still standing... a pure joy". (Emergenza world final review - Taubertal festival.) McGoozer are fronted by fantastic vocalist McGoo, whose has performed extensively nationally and internationally with many high profile artists including singing with Mike and the Mechanics supporting Phil Collins on his world tour performing in front of audiences of up to 74 thousand. You might also recognise his voice from the McDonalds "Im lovin it" advertisement campaign. McGoozer combine beautiful soaring melodies with raw rock energy and the use of the cello as a second lead "voice" creates a dynamic sound all of their own. Their live performances leave nothing to the imagination. McGoozer have just returned from the World final of Emergenza unsigned at the Taubertal Festival (Germany) - Headlined by Pink and Mika among others - and have performed at this years Glastonbury festival following this up with the XFM Festival in Cardiff and the Buzz Night festival at Bush Hall (Shephersd Bush), having previously played at such venues as The Clapham Grand, Cafe de Paris and the Isle of Wight festival. McGoozer also recently played at Kylie Minogues 39th birthday party. The full 8 piece band led by McGoos powerful and rich vocals will leave you begging for more.
