

Mp3 Nancy Cassidy - Pocketbook Romance

[DOWNLOAD HERE](#)

From "The Farmer" to "I'm Gonna Love You" to "Little Blackbird" Nancy's warm and engaging voice takes you through her life experiences of being a daughter, wife and mom. This collection of original, fully instrumented songs is done in a folk music vein. 16 MP3 Songs COUNTRY: Country Folk, FOLK: Folk Pop Details: Nancy Cassidy, a singer/songwriter/past PTA President/mother-of-two-adolescent-boys/wife-to-one-husband/and all around active woman has delighted audiences of all ages over the past 30 years with her warm and engaging voice and wide variety of songs. Her original songs express her perceptions, feelings and life experiences of being a daughter, wife, and mom. In the folk music vein, Pocketbook Romance is a fully instrumented, Ken Whiteley produced CD that contains songs about growing up on the farm, life on the river, and living in the city.
