This album not only expresses the Soul music vibe, but goes into a musical mode of the Soul of some men and how the road in life takes many patterns and arrangements just as music does. "Soul of a Man", takes right off from his last CD "Narrow Gate" with a soulful pace of music while maintaining the groove. Each track lays heavy on the rhodes adding piano and organ fills as well. He also credits his mother, sister, family and daughters for inspiration as well. Ray says, "I really just want someone to feel uplifted from each song by God's grace!" "Soul of a Man"....refers to the bible text Mark 8:34-38 NKJV "And when He had called the people to Him, with His disciples also, He said to them, "Whoever desires to come after Me, let him deny himself, and take up his cross, and follow Me. For whoever desires to save his life will lose it, but whoever loses his life for My sake and the gospel's will save it. "For what will it profit a man if he gains the whole world and loses his soul? "Or what will a man give in exchange for his soul? "For whoever is ashamed of Me and My words in this adulterous and sinful generation, of him the Son of Man also will be ashamed when He comes in the glory of His Father with the holy angels."
