Gorgeous grand piano, majestic synths - acoustic and electronic instruments - heavenly music with fresh arrangements - this is what Christmas Light is about. 9 MP3 Songs NEW AGE: New Age, ELECTRONIC: Virtual Orchestra Details: "...powerful and dramatic." "... breathes new life into of some of the world's most popular music of the Christmas season. " "We Three Kings" is particularly magnificent as a concerto for piano and string orchestra..." It started out as a small project - Christmas music from our studio for friends and family to enjoy. It became the largest project we ever did. Steve Holt and Inner Music worked nearly a full year on the production of Christmas Light, a landmark recording of some of the most renowned carols with new arrangements. Gorgeous grand piano, majestic synths - acoustic and electronic instruments - heavenly music with fresh arrangements - this is what Christmas Light is about. Almost every track represents a different musical genre with different orchestration. Arrangements vary from large ensembles with full orchestral accompaniment to pop/country rock, jazz, and folk. More than anything, this music will speak to you; it comes straight from the heart. Christmas is a sacred time. It is a celebration of the greatest aspects of mankind. It is a celebration of peace on Earth. It is a celebration of spiritual enlightenment, the highest state of consciousness. It is an opportunity to rededicate ourselves to the highest spiritual ideals: Love. Service. Remembrance. Come and celebrate with us, and enjoy the music of Christmas.
