Details: Sweet Hollow Drive is a band of many influences and styles merged into one powerful, energetic group. The band members initially started in a Ska band together, later branching off to form a new project. After experimenting with 7 different bass players and a handful of singers, the band took form to become what you can hear today! After playing together for a few years, upgrading equipment, developing a style and growing as musicians and song writers, new songs were written, some with christian influence, and the album "The Perfect Blue" was formed. Recorded by a friend of ours, Randy Pratt, "The Perfect Blue" is Sweet Hollow Drives debut full-length album. It features everything from pop to a heavier rock to a ballad in memory of a dear friend. "The Perfect Blue" has something for everyone. SHD consists of: Alex Glover - Lead Vocals/Bass/Piano Danny Ensanian - Drums Robert Nolan - Guitar/Vocals Mikey Molloy - Guitar/Vocals
