

Northanger Abbey - Jane Austen

[DOWNLOAD HERE](#)

Catherine, a seventeen year old girl, travels with her family to Bath and makes many new acquaintance, including two young men who pursue her. She is invited to visit the country estate of one, and makes the journey with high expectations of Gothic drama, her head being full of Mrs Radcliffe's The Mystery of Udolpho. This was the first novel completed by Austen, but was only published posthumously. It is a delightful, light-hearted comment by Austen on the reading and writing of novels.
