

Transforming Christian Theology: For Church And Society - Philip Clayton

[DOWNLOAD HERE](#)

This compact volume offers a way for Christians to reflect deeply on how best to conceive Christian identity, commitment, and discipleship in today's challenged, globalized, pluralistic scene. This volume seeks to capture and articulate the ferment in grassroots North American Christianity today and to relate it directly to the recent strong resurgence of progressive thought and politics. It argues strongly for a mediating role specifically for Christian theology, conceived first as a life practice of Christian discipleship.
