One upon a time Jonah Moore had it all. Then his wife and unborn child were taken from him, leaving his life darker than when Chaos and his evil vamps stole the sun. Now, Jonahs lost the will to face another day, which could be a problem, considering he's just been turned into a vampire and is now destined to live for eternity. As a nurse, Raven Moony was used to tending to the needs of others. Until an accident changes everything... When she is abducted and forced to tend to Chaos' needs, she is more than ready to give in and willingly accepts her role as his slave. Then Jonah enters the picture and she finds herself fighting for his safety and freedom as well as her own. Can she convince Jonah he should go on despite her own doubts?
