

# Latin American Development Priorities

[DOWNLOAD HERE](#)

Many countries in Latin America and the Caribbean have achieved considerable economic growth, yet the region still faces many seemingly intractable problems. The conventional wisdom in development agencies - that prioritization is impossible and that everything must be done - is simply not effective. Latin American Development Priorities shows how limited resources could be used for the greatest benefit of the Latin American and Caribbean region. A panel of economists met over three days in San José to review proposals to tackle the ten most important challenges, which emerged from a survey by the Inter-American Development Bank. The expert panel was asked a question which appears simple but is actually very difficult to answer: What should Latin American governments do with an additional nominal \$10 billion? Hard choices are needed if Latin America's problems are to be tackled effectively. This book provides the means to make those choices as objectively as possible. Publisher: Cambridge University Press Illustration: N Language: ENG Title: Latin American Development Priorities Pages: 00724 (Encrypted PDF) On Sale: 2010-01-28 SKU-13/ISBN: 9780521766906 Category: Business & Economics : Development - Economic Development
