

Mastering Your Phd

[DOWNLOAD HERE](#)

From the reviews: "It focuses on the non-scientific aspects of academic life and the PhD process, discussing issues which often are neglected the book really shines in the discussion of human relations issues, such as how to communicate effectively with people different from yourself . Their suggestions on time management, planning and self-regulation are particularly useful: people who acquired their PhD years ago may also profit . Mastering your PhD can be recommended to any student considering graduate school" (Sarah Boslaugh, MathDL-online, October, 2006) "The book is easy to read and is split into nineteen short chapters . Most chapters have their main points highlighted by examples, describing a team of students restoring a piece of artwork, for instance, which tend to be useful. I would also recommend the book as a useful guide for prospective PhD students who are not sure of what a PhD actually entails, and what is expected of you as a student ." (Sarah Casewell, The Observatory, Vol. 127 (1199), 2007) EAN/ISBN : 9783642158476 Publisher(s): Springer, Berlin
Discussed keywords: Doktorarbeit, Promotion Format: ePub/PDF Author(s): Gosling, Patricia A. - Noordam, Bart D.
