His first musical experience was playing drums for his high school. Time passes then Amadeus, Jace, and Latrille form a rap group named N-Session. It only made sense for the team to become concrete since they spent many countless hours partying, playing hoops, and slapping bones; the chemistry was always present. N-Session began to pursue their dreams similar to Amadeuss sisters Michelle Marie, the twins from the Pop/ R&B group Elusion. N Session began to write, perform, and produce their music. They performed at house parties and even created an album entitled "Twice a Day". Amadeus moves to the Bay Area in Northern California, which separates the group. Amadeus decides to continue creating music for all listeners to enjoy and thus he began his solo career. Amadeus writes, performs, and produces his songs with catchy urban tracks and clever lyrics. Keep your ears open for this new talent in the clubs, in the cars, and in your cd player!
