Set aside the implied simplicity of the albums name for just a moment and hit PLAY. Youll soon discover that the musical stories of SMILE reveal a wide spectrum of emotions subjects and, in the telling, a palate of genres ranging from straight-ahead pop/rock to jazz, blue-eyed soul and even classical baroque (as found on Lolita). The quality of production on SMILE speaks loudly for both LeRoys talent as a song-writer and performer as well as for the studio-and-technical expertise of Marc Moss (who recorded David Brombergs 2007 Grammy-nominated Try Me One More Time). Although LeRoy has chalked up numerous recordings in his two-and-a-half decades as a musician, this album is a stand-out effort that marks a moment in which the performer has hit his stride. People who are interested in Paul McCartney Kenny Loggins John Mayer should consider this download.
