Boris Badenuff's rock-fused electro-hybrid is in a genre of its own, with trance-like magnetism, slamming grooves, and mind-bending twists. He melts a myriad of styles and draws you in with a keen sense of chaos, and irony. 13 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Breakbeat/Breaks Details: LA studio wiz Boris Elkis gave into his alter ego "Boris Badenuff" to feed his musical dementia. He teamed up with rocker Doug Deep to come up with a brand of electronica with enough balls to satisfy rock and electronic crowds. They set out to liquefy all that's rock and electronic. Spirit of rock was melted and fused with machines. Barriers were torn down and a new breed was born. Boris Badenuff effortlessly blends a myriad of genres and draws you into his world with a keen sense of style, chaos, and irony. Boris Badenuff's rock-fused electro-hybrid is in a genre of its own, with trance-like magnetism, slamming grooves, and mind-bending twists beginning to describe it. Industrial, Rock, Big Beat and Electronica fans should should check it out.
