The Hip Hop will make you move. The R&B will remind you what love is all about. Listen to the soulful sounds of Candis Francis ALL NIGHT. 13 MP3 Songs URBAN/R&B: Rhythm Blues, HIP HOP/RAP: Hip Hop Details: A pure voice that combines fire and soul, songstress and songwriter Candis Francis has been gaining attention nationwide and from international music industry professionals and fans. The popularity of her interactive artist website, candisfrancis.com, and single "Not May (I Hate You)" sparked opportunity for the young singers first European tour which took place last Summer in 2005. The tour spotlighted Candis dynamic live vocal ability and included dates in the Netherlands, Germany, and Italy. The young chanteuse began honing her craft at the age of 12. Candis Francis is an accomplished songwriter and vocal producer with a strong, sensual voice. Born in Toronto, Canada, shes lived everywhere from Jamaica to Vancouver to New York and Los Angeles. Candis worldly travel and cultural exposure have helped her perfect a soulful sound infused with thumping drum beats, vibrant hip hop rhythms, and plush vocals that fit as easily into ballads as they do dance tracks. On stage, Candis delivers a powerful performance. Many first notice her exotic beauty of mixed Jamaican and Algonquin heritage, but a quick listen reveals lyrics about relationships, love, hope, and loss that Candis sings with captivating emotion and theatrics. The music industry quickly took notice and Candis has consequently collaborated with some of the most-respected artists in Hip Hop/R&B including Cypress Hill, producer Dave Aaron (who worked with Snoop Dog), Yonny (Lil Waynes Album), and songwriter Storm whos contributed to tracks for mega-sensation Usher. Candis even got recognition from super-producer Kanye West, who gave her beauty and talent a lyrical nod in the song "Get em High." With her single "Not May," Candis gained great new fans on BET Televisions show THE NEXT, Much Vibe, The Box, Make It or Break It, Etc. and myriad website portals. "Not May" is the first video released for Candis on Chey B

Records and the next release All Night has just been slowly leaked with an overwhelming response from DJs and fans alike. Radio has just begun interviewing Candis Francis about her upcoming album All Night. Chey B will release her full-album in April 2006. The album will feature Candis signature smoke and honey vocals, rich musical style, and sultry poeticism. A visit to Candis website can provide a decadent sneak peek of the artists ever-evolving talent. Listeners will experience her range of mid-tempo, beat-driven tracks like "Kash Baby" and "All Night" as well as rich ballads infused with chilled synths and sweeping chords displayed in songs such as "Gone Wrong."
